**THANK YOU FOR YOUR CONTRIBUTION AND SUPPORT OF THE CROYDON HISTORICAL SOCIETY.**

The purpose of the Croydon Historical Society is to bring together those people interested in history, especially in the history of our community. Understanding the history of our community is basic to our democratic way of life; gives us a better understanding of our state and nation, and helps us better appreciate our American Heritage.

As a non-profit Historical Society: we qualify with many companies for matching funds/grants provided the company you work for, or are retired from, supports such benefits. Your contribution is tax deductible. (Our tax exemption # 02-0510813)
